IN THE MATTER OF THE :
LICENSE OF: : Administrative Action
MATTHEW D. MILLER :
TO PRACTICE RESPIRATORY CARE: :
IN THE STATE OF NEW JERSEY : CONSENT ORDER
:

This matter was opened to the New Jersey State Board of Respiratory Care upon the application of Matthew D. Miller for a license to practice respiratory care in the State of New Jersey. Mr. Miller is employed by Mobile Medical Services, Inc., as a Professional Staff Therapist in New Jersey. When notified of the necessity for licensure to engage in respiratory care activities in New Jersey, Mr. Miller completed an application for licensure. In connection with that application, Matthew D. Miller acknowledged that he had been performing respiratory care functions in home care settings in the State of New Jersey. These functions include but are not limited to adjustments of respiratory equipment attached to patients and instruction regarding the use of such equipment. These functions were performed without having first obtained a license.

The Board having considered the aforesaid information, and the parties being desirous of resolving this matter without the necessity for further formal proceedings, the Board having considered the voluntary cooperation of Mr. Miller and Matthew D. Miller having waived any right to a hearing in this matter and the Board finding that the within Order is adequately protective of the public health and that good cause exists for its entry;
